

APPLICATION TO EXCAVATE FOR SECTION CORNER
MONUMENTS WITHIN ROAD RIGHT OF WAYS

Application Date: _____

Kiowa County
Survey No. _____

APPLICANT:

Surveyor

Company

Address

City, State, Zip

Applicant is a licensed land surveyor in the State of Kansas and hereby requests permission to excavate in Kiowa County roads/right of ways to determine the exact location of existing monuments of G.L.O. corners.

SCOPE OF WORK:

Legal Description (s) of Recovery Work: _____

Road Identification: _____

Number of Monuments in Search: _____

Estimated Start Date: _____ Estimated Time for Search: _____

One Call ID: _____ Date Called In: _____

Date Expired: + _____

CONDITIONS:

1. Applicant shall contact KS-ONE-CALL and provide proof of notification.
2. Applicant shall cooperate with all utility companies affected by the excavation. Some private utilities (water, gas or other lines) may be within the right of way. It is the responsibility of the Applicant to determine the utilities affected and take appropriate measures to ensure there is no damage caused by any property.
3. Applicant shall notify the Kiowa County Road and Bridge Supervisor or his designee a minimum of five (5) working days before work is initiated and notify the Road and Bridge Supervisor immediately when work is completed.
4. Applicant shall carry "General Liability" insurance under a claims-made policy that has a minimum combined single limit of \$2,000,000.00 for personal injury and property damage. Further, Applicant shall carry "Worker's Compensation and Employer's Liability" insurance that complies with Kansas state law. Applicant shall carry "Automobile Liability" insurance under a claims-made policy that has a minimum combined single limit of \$1,000,000.00 for personal injury and property damage. Prior to signing this application, Applicant shall furnish to the Kiowa County Road and Bridge Supervisor "Certificates of Insurance" showing the applicant carries insurance in the amounts and types required herein. The "Certificates of Insurance" shall show Kiowa County as an additional insured and loss payee.
5. Applicant shall be responsible for erecting and maintaining all traffic control devices necessary to protect the traveling public and all workers involved in the excavation. The traffic control devices shall be in compliance with the Manual of Uniform Traffic Control Devices (MUTCD), appropriate for the volume of traffic on the roadway.
6. If Kiowa County is required to provide equipment and employees to properly backfill the dig, the cost to Applicant shall be \$30.00 per man hour for use of the county motor grader and \$34.00 per man hour for use of the county back hoe. This shall be charged in one hour increments. Employee time shall include moving equipment to the excavation site, backfill and return to the base location.
7. Applicant shall be responsible for the costs of hard surfacing materials, such as bituminous or concrete materials, required to return the excavation site to its condition prior to the excavation.
8. Applicant shall, within 60 days of the excavation, provide to the Kiowa County Road and Bridge Supervisor corner certificates and a digging report for all corners excavated. The corner certificates shall meet state standards and the digging report shall provide sufficient information to

accurately locate the dig area. If the applicant does not provide a corner certificate or dig report for each location within sixty (60) days of the excavation, applicant shall be responsible for payment of all equipment, materials and staff time expended for the project at Kiowa County's current rate plus overhead.

9. The permit application fee shall be \$150.00. Of this fee, \$125.00 shall be refunded to Applicant, less the cost for the county to backfill the dig if applicable, after the Applicant has provided the corner certificates and digging reports to the Road and Bridge Supervisor.

10. Other Conditions: _____

By signing this application I agree to all of the conditions stated herein.

Applicant

Approved this _____ day of _____, 201_____.

Gunnar Stauth
Kiowa County Road
and Bridge Supervisor

LOCATION CODE OF MARKER IN TOWNSHIP (see illustration below): 01A

Legal Description: Northwest Section Corner Section: _____ Township: _____ Range: _____

Survey Datum (if known): _____ North: _____ East: _____

Corner Status Prior to Survey: Existent Obliterated Lost Endangered
 Monument Condition: Found Set Reset Found Record

Detailed Monument Description: _____

REFERENCE MARKS AND MEASUREMENTS: (Please, no symbols or abbreviations.)

NOTE: ALL MEASUREMENTS ARE HORIZONTAL SLOPED UNLESS NOTED OTHERWISE.

DETAILED METHOD OF RECOVERY OR ESTABLISHMENT:

IDENTIFYING A MARKER

To identify the location of a marker in a township, use the following standard alpha-numeric grid to designate an identifier for a given section corner or intersection.

For Example: The southwest corner of Section 26 would be designated by the identifier "17V". This is the "LOCATION CODE OF MARKER IN TOWNSHIP".

1 | 7 | V
